**MOTION TO CONTINUE FINAL STATUS CONFERENCE
(ASSENTED TO)**

Now comes the defendant in the above-entitled matter and moves this Honorable Court to continue the final status conference from May 5, 2004 to May 19, 2004.

In support of this request, the defendant states that his counsel needs more time to assess the sentencing guidelines for criminal contempt. Specifically, because the criminal contempt guidelines are directly linked to the underlying case in which the defendant was called as a witness, the defendant's counsel needs to carefully review the underlying case file. The Assistant United States Attorney has agreed to allow the defendant's counsel to review pertinent sections of the government's case file in the underlying matter. The defendant's counsel will have time to review the case file within the next two weeks. After review of the case file, the defendant will have a

more informed assessment of the sentencing guidelines in this case.

The defendant has notified the Assistant United States Attorney, John McNeil, of his request, and the prosecutor assents to continue the final status conference until May 19, 2004.

Respectfully submitted,
WILLIAM SMALLWOOD
